

# HLTA Awareness Briefing

## Do you want to find out more about HLTA status?

Could **Higher Level Teaching Assistant Status** be the next step in your professional development? If you or members of your staff play a key role within your school's support staff team then why not consider how this may be recognised?

## How can I find out?

We invite Teaching Assistants, Cover Supervisors, Unqualified Teachers, Learning Mentors **and** Headteachers or staff responsible for professional development to a **free Awareness Briefing** where you can find out whether you are ready for HLTA status, how to apply, the cost and what opportunities this may lead to in the future.

The HLTA deputy project manager who has 13 years experience of working on the HLTA programme will be giving a presentation and explaining the application process followed by a question and answer session.

**Devonshire Place, London Road  
Leicester  
Tuesday 20<sup>th</sup> November 2018  
at 4pm**

## What do I do next?
