

The Mysterious Map

Part Two.

For this part you will need the building and street names you discovered in the first part of the challenge. Complete the keyword using the following letters;

To find the first letter

Take the fifth letter of the first building you reach after crossing Becket's Bridge.

The second letter

Is H.

To get the third letter

Take the fourth letter of the second building you came to.

The fourth letter

Is I.

To find the fifth letter

Take the second letter in the second word in the name of the street where the buses travel.

For the final letter

You need the first letter of the building containing the Student Union.

Put these letters in order to give you the keyword for this challenge.

Remember...

Write down the keyword for this challenge before moving on to the next!
